New Year's Message 2022 from the Pastor

The year 2022 is here! Amid the merrymaking and gift giving at Christmas and the crafting of our New Year's resolutions, let us all together pause and take time to contemplate on the **MISSION** God has given us for this New Year!

The Year 2022 can be a regular year but it can also be an extraordinary year. If we pay more attention to the Lord's voice as His calling not easily discernable; if we put much love into each day of this year; if we put much hope into every difficulty we encounter this year; if we share fearlessly with everyone our joyful faith in our loving God; this year may be ordinary but it will be specially memorable one because of the love and faith and hope that we pour into the days of 2022.

The Year 2022 is a year of the Lord as every year really belongs to the Lord. Let us make it truly the year of the Lord by living each day praising Him, thanking Him, loving Him, and following Him forever. This is the Mission that God wants to live this New Year 2022!

***Happy New Year and many blessing for
your family and friends!***

Fr. Freddy
