

96th Anniversary Celebration September 6th, 2024

Thank You to Our Parishioners and Guests

We extend our heartfelt gratitude to all parishioners and guests who attended the 7 PM Mass last September 6th with His Grace, Archbishop Francis Leo. The evening was filled with solemnity during the Mass and joy as we shared a potluck and watched the Burmese community showcase their cultural dance.

Once again, thank you to everyone who participated and made this event a success. We look forward to creating more wonderful memories together.

Archbishop Leo sent this gracious handwritten note to the parish:

We extend our heartfelt thanks to Archbishop Francis Leo for gracing Holy Cross Parish's 96th Anniversary celebration on September 6th. His Grace blessed a beautiful commemorative plaque in the church foyer, led a meaningful celebration of the Holy Eucharist, and shared in the joy of our community by attending the festive dinner that followed in the church basement.

We are also deeply grateful to the many individuals whose generosity made this special event possible. From those who contributed funds, to the countless volunteers who devoted their time and energy, your efforts have truly brought our parish together in faith and fellowship. Thank you for making this milestone celebration unforgettable!
