The Gospel of St. John

Join us for the Know Your Faith series 'The Gospel of St. John' Part II.

PRAY, STUDY, WATCH DVDs & LIVE YOUR FAITH MORE DEEPLY.

This Gospel is remarkably different from the Synoptic Gospels of Matthew, Mark and Luke where John includes many events that are not found in these other Gospels. See Our Lord through the eyes of the beloved disciple John. Grow in deeper love with Jesus as we follow John through Christ's life.
