

*Happy Mother's Day*

Today, we celebrate and dedicate this special moment to mothers of all kinds—biological, adoptive, spiritual, and all those who lovingly care for others. We honour mother figures who have given life, nurtured growth, and offered comfort, wisdom, and love. We recognize their sacrifices, celebrate their strength, and give thanks for the immeasurable impact they have made in our lives and our communities.

In tribute, the CWL will be giving flowers to all mothers at both Sunday Masses. It's a beautiful way to honour and appreciate the special women in the community.
