

We are pleased to inform you that the presentation monitor project has been successfully completed. The total expenses for the project amounted to **\$17,000**, which included the following:

- TV installation (labour and materials).
- Audio cable run.
- CAT6 cable run for HDMI cable with conduit.
- 4K HDMI adapter & splitter / HDMI cable (10ft).
- TV installation with a TV bracket, configuration, installation, and training.
- Two Samsung 85" 4K UHD HDR QLED Tizen OS Smart TVs, complete with a 4-year warranty protection plan.
- Lenovo ThinkPad X13 Gen 5 Intel (13") laptop with a wireless presentation remote.

We are confident that this enhancement will greatly contribute to a more seamless and efficient presentation experience. Thank you for your continued support and cooperation throughout this project
