

Dear Bishop Kasun,

On behalf of the parishioners of Holy Cross, let me extend our heartfelt gratitude for celebrating the weekend Masses with us last week. Your thoughtful and detailed explanation of the clustering of our two parishes (Holy Cross Parish and Canadian Martyrs Parish) was both enlightening and encouraging.

Your guidance and clarity have laid a strong foundation for this new chapter in our faith communities. We are hopeful and prayerful that, through the cooperation and dedication of all parishioners, this transition will be a success.
