

Jesus is risen. Alleluia! This is the Good News. Jesus is alive. God is indeed ALIVE forever.

Easter is a celebration of LOVE and LIFE. With Jesus risen from the dead, the Easter message is that Jesus is LOVE. He offered Himself because He loves YOU and me. He loves us ALL. With His love, Jesus said YES to the will of God the Father to serve and to save us. Out of His great love, Jesus gave up His own life on the Cross for our redemption.

And with the glorious resurrection of Jesus, love triumphs against hatred and violence. Love is victorious over sin and selfishness and pride. Easter is an assurance of the gift of eternal life.

With the resurrection of the Lord Jesus, the Easter message is that Jesus lives. Jesus reigns. Jesus lives in us. With His resurrection, Jesus conquers death. Jesus overcomes pain and bereavement. And now eternal life is assured to us.

Easter is also an affirmation that Jesus is truly our GOD. He is not just an ordinary man but indeed our mighty Savior, our merciful Lord. With His resurrection, He opened Heaven for us. Today, Easter Sunday, let us together journey towards Heaven, following Jesus our God and Savior. Together with Jesus, we shall rise with Him and enjoy the love and life He had given us. As our beloved Archbishop said in his Easter message to us: "By His glorious Resurrection, we today are given a new life, a new beginning, new freedom, new opportunities." May our lives then be a manifestation of the message of Easter: "That Jesus, our Lord is Alive "today, among us, in our midst, in our hearts, in the sacraments, in his Word and in the Church." (Cardinal Frank Leo's Easter message 2025).

Happy Easter to all!
