

Society of St. Vincent de Paul Lenten/Easter Food Drive

A Simple Way to Share the Blessings of the Season

As we journey through Lent, our St. Vincent de Paul food cupboard is looking to restock so we can continue supporting local families in need throughout the year.

If you're able to help, we are currently in need of peanut butter, cereals, pancake mix, and spaghetti sauces. You can drop off your non-perishable donations in the SSVP container located in the church foyer. Every contribution makes a meaningful difference.

Thank you for your kindness and for keeping our community's spirit strong!
