

Marygrove Camp - What's it like up there?

Picture 39 acres of beautifully treed grounds, a quarter mile of waterfront, with sandy beaches and a football size playing field. Now picture yourself enjoying nothing but fresh air, good friends and the great outdoors and you

have just captured the wonder of Marygrove Camp.

Campers participate in a full range of activities, including swimming, canoeing, crafts, drama, sports, co-operative games, cook-outs, sleepovers, hikes, star gazing and camp fires. Our location on Georgian Bay provides excellent opportunities for swimming in a shallow, supervised swimming area.

Many members of our staff team have moved on to become teachers, social workers, doctors and nurses. They credit Marygrove with providing a “ton of life experience”. If you or someone you know loves children, enjoys the outdoors, and enjoys working in a team environment – give us a call!

Do you know a child who could benefit from this type of experience?
