

HOLY CROSS CHURCH RESTORATION PROJECT - SPRING 2024

In preparation for the 100th Anniversary of the Parish

Help Holy Cross Parish meet its fundraising goal!

For decades, Holy Cross Parish has been the spiritual cornerstone of our community in East York. It has not only served as a place of worship but also as a symbol of our shared faith and heritage - a sanctuary where we gather to celebrate our faith, share our joys and sorrows and strengthen our bonds with one another. Holy Cross Parish has become an integral part of our lives, offering us spiritual guidance, a sense of belonging, and a place to call home.

However, the passage of time and exposure to elements have left our church in need of significant facelift. The envisioned restorations are crucial to reviving the beauty of our sacred space and preserving its historical significance. At this point of time, there is an immediate need for the restoration of our church. The restoration projects listed below will be carried out in three phases.

PHASE 1

- Repainting of the interior of the church
- Re-carpeting with commercial grade carpet

PHASE 2

- Ventilation and air-conditioning improvements, and electrical upgrade

PHASE 3

- Repositioning of the Tabernacle from the north side of the church to the centre of the sanctuary
- Cleaning of Mosaic Walls
